The PTA general Body Meeting must be conducted once before 15 August of every year and before the end of each academic session.

Parent representation in PTA and working committee meetings is not very appreciable despite looking at today's Indian education system not many parents actively participate. It is the time that parents know the real meaning of PTA and come on the floor to participate for the betterment of our children. It is collective responsibility, so all the parents should actively participate & extend their contribution for the betterment of development of student's future and with full sprit.
